Today's Gospel: Jn 20:19-23

On the evening of that first day of the week, when the doors were locked, where the disciples were, for fear of the Jews, Jesus came and stood in their midst and said to them, "Peace be with you." When he had said this, he showed them his hands and his side. The disciples rejoiced when they saw the Lord. Jesus said to them again, "Peace be with you. As the Father has sent me, so I send you." And when he had said this, he breathed on them and said to them, "Receive the Holy Spirit. Whose sins you forgive are forgiven them, and whose sins you retain are retained."

Lord, send out your Spirit, and renew the face of the earth.

Holy Father's Intention for MAY: The World of Finance

Let us pray that those in charge of finance will work with governments to regulate the financial sphere and protect citizens from its dangers.

Promote Your Marian Celebrations Through ArchSTL:

May is the month we celebrate Mary. The Office of Communications and Planning is offering a chance for your parish or ministry to share images and promotions for celebrations of Mary's month: images of statues of her, how your parish celebrates the May Crowning, etc. Please send pictures and submissions to katherineblanner@archstl.org

Corpus Christi Processions: Sunday, June 6, 2021:

- As parishes begin to plan for summer events, including Corpus Christi processions, we would like to share a reminder that **all social gatherings and meetings should adhere to the guidelines and mandates set forth by the county in which the parish resides.**
- For parishes planning a procession, it will be best if people line the procession route and are properly spaced/distanced, rather than walk the route with the minister and servers. We recommend that only the minister and two or three servers are part of the procession. This allows for participation from the faithful while adhering to local mandates. We will share any additional relevant updates prior to June 6. Please direct any questions regarding Corpus Christi processions to amybuehrle@archstl.org, and any general questions or concerns regarding the Archdiocese of St. Louis mandates/guidelines for COVID-19 to Communications@archstl.org.

Important Announcement:

In the afternoon on Friday, May 14, 2021, the Office of the Archdiocese of made this important announcement: The mask mandate now only applies to **all parish faithful who have not received a vaccination against the COVID-19 virus.** Following the CDC guidance issued yesterday, capacity restrictions and social-distancing measures at archdiocesan parishes will be determined by the parish pastor based on the size and construct of the parish, and what he deems is needed to provide for the safest possible environment. These changes in guidance are effective immediately; however, the timeline for implementation in each parish will be determined by the pastor based on specific needs to make a safe and appropriate transition. Changes should be implemented at all parishes no later than Sunday, May 23.

Archbishop Mitchell Rozanski leaves in place the dispensation for Sunday Mass at this time, but will be re-evaluating the need for the dispensation in the coming weeks.
