Today's Gospel: Lk 14: 1.,7-14 On a sabbath Jesus went to dine at the home of one of the leading Pharisees, and the people there were observing him carefully. He told a parable to those who had been invited, noticing how they were choosing the places of honor at the table. "When you are invited by someone to a wedding banquet, do not recline at table in the place of honor. A more distinguished guest than you may have been invited by him, and the host who invited both of you may approach you and say, 'Give your place to this man,' and then you would proceed with embarrassment to take the lowest place. Rather, when you are invited, go and take the lowest place so that when the host comes to you he may say, 'My friend, move up to a higher position.' Then you will enjoy the esteem of your companions at the table. For every one who exalts himself will be humbled, but the one who humbles himself will be exalted." Then he said to the host who invited him, "When you hold a lunch or a dinner, do not invite your friends or your brothers or your relatives or your wealthy neighbors, in case they may invite you back and you have repayment. Rather, when you hold a banquet, invite the poor, the crippled, the lame, the blind; blessed indeed will you be because of their inability to repay you. For you will be repaid at the resurrection of the righteous."

God, in your goodness, you have made a home for the poor.

Holy Father's Intention for August: Small Businesses

We pray for small and medium sized businesses; in the midst of economic and social crisis, may they find ways to continue operating, and serving their communities.

Annual Catholic Appeal (ACA):

Each year, Catholics across the Archdiocese of St. Louis unite through the ACA. The Appeal supports the life and mission of the Church throughout the Archdiocese of St. Louis, serving those in need. Last year, our parish contributed \$14,885. Eventually, only 31% of our families participated in the program. Archbishop Mitchell Rozanski asks us to extend our hands and hearts in helping to promote the good works of the Annual Catholic Appeal. Please take the cards with names of the head of the family, fill out some details, and return it with your donations from 04/24 until 12th of September 2022.

Every person is engaged in battles of different kinds in life. Some battles are small and some are large. The reason that we're involved in battles is that we have been born into a global war zone. The ultimate war on planet earth is between the forces of good (God) and the forces of evil (Satan).

Learn to Win the Battles of Life:

Every human being is either part of the kingdom of God or the kingdom of Satan, whether they recognize it or not. This global conflict does not just involve people, it also involves spiritual beings. The kingdom of God has spiritual warriors known as angels and the kingdom of Satan has spiritual warriors known as demons.

The result of the battle over you will determine your eternal destiny. God has created every human being with the power to choose which kingdom they will follow in this life and into eternity.

My message, **Winning the Battles of Life**, looks at the teaching of Jesus concerning the three battles that we all face in life. The Scripture that we look at in the Gospel of Luke has Jesus' most extensive teaching on our battle with Satan's warriors, demons.

Second Collection: We will have a Second Collection on next Sunday for Catholic University of America. **Please be prepared!**
