Today's Gospel: Mt. 5:13-16

Jesus said to his disciples:

"You are the salt of the earth.

But if salt loses its taste, with what can it be seasoned?

It is no longer good for anything

but to be thrown out and trampled underfoot.

You are the light of the world.

A city set on a mountain cannot be hidden.

Nor do they light a lamp and then put it under a bushel

basket; it is set on a lampstand,

where it gives light to all in the house.

Just so, your light must shine before others,

that they may see your good deeds

and glorify your heavenly Father."

The just man is the light in darkness to the upright.

Holy Father's Intention for February: For Parishes

We pray that parishes, placing communion at the center, may increasingly become communities of faith, fraternity and welcome towards those most in need.

Victim of Violence Share Their Grief with Pope Francis

Pope Francis arrived in Congo Jan. 31 at the start of a six-day visit that will end with an ecumenical pilgrimage to South Sudan. Both Congo and South Sudan are rich in natural resources and torn by violence .

Pope Francis heard horrifying stories of cruelty and violence Feb. 1 during a meeting in Kinshasa with victims from Eastern Congo, a region the pope had to cancel his plans to visit because of the worsening security situation.

Pope Clarifies Remarks about Homosexuality and Sin

VATICAN CITY (CNS) -- Pope Francis reaffirmed that homosexuality is not a crime, and that any sexual act outside of marriage is a sin, in a written response to a request for clarification about his remarks during a recent interview with the Associated Press.

In an interview with the agency televised and published in Spanish Jan. 25, the pope had said that "being homosexual is not a crime. It is not a crime." He defined as "unjust" laws that criminalize homosexuality or homosexual activity and urged church members, including bishops, to show "tenderness" as God does with each of his children.

In the interview the pope said, "We are all children of God, and God loves us as we are and for the strength that each of us fights for our dignity. Being homosexual is not a crime. It is not a crime."
